

## About Us

Inovar4 Lda is a technology services provider, servicing all parts of Timor Leste including Oecusse. Our local team have installation and maintenance experience in communications, security and audio visual systems.

## Our Mission

To provide employment to local people with a passion to see technology advance Timor Leste and empower the people of Timor through knowledge.

## Our Vision

Our Vision is Beyond the technologies of today, providing quality installations and maintenance, through our professionally trained and certified staff. We employ, upskill, mentor and embrace the potential of Timor Leste's biggest asset, local staff, who are empowered by employment and have an abundance of willingness to succeed. We supply leading industry products with international warranty and we service what we install. Inovar4 is a Timor Leste owned and operated business and our directors have each over 20 years' experience in providing solutions for business, government and education. We have six local Timorese staff and over 40 staff to assist from our sister business in Darwin, Australia. Our team have the solutions to assist you in the growth of your business, which in turn secures the future of Timor Leste.

## Customers

Some our current customers are: Ce'Mill Group - Jape Group - Mercy Corporation - Timor Gap - Australian Embassy – RMS Engineering and Construction – DHL Express – Conoco Phillips – Paladin Group

## Capability

Our point of difference is that we train our local Timorese staff to Australian standards and pride ourselves in our quality of finish. We can install and maintain:

- Voice and data network cabling and optic fibre cabling
- Networking, switching and routing
- Wireless networking– point to point and point to multipoint
- PABX phone systems
- Audio visual design, installation and configuration
- Video conferencing
- UPS and power cleansing
- Electronic video security systems and CCTV systems
- Building automation systems and access control and integration with mobile technologies
- Point of Sale packages
- Master Antenna TV and pay TV services
- Web design and domain management
- HF/ VHF/ UHF radio systems
- Satellite installations and programming
- Toshiba Printer dealer – printer sales or managed printer agreements

We would welcome an opportunity to present our services to you with the view to establishing a long-term mutually beneficial business relationship.
